

Dear parents,

Subway have set up an online ordering system for ordering Subway lunches for our school.
From Friday 3rd March all orders will need to be placed online.

Please go to www.subwayexpress.co.nz and click on SUBWAY School Lunch Programme, Order Now.

You will need to register first (using the Register Here link) using Subway Barrington (37475) as the preferred store. Once you have registered you can login and start your order.

As the Rooms option are numbers rather than letters, each class has been allocated a number. Please see the list below for the correct number you should be using.

Payment options will be debit or credit card only and there is NO surcharge for using this.

Your lunch will be delivered as normal to school.

You can place your order anytime before each Friday by 9am.

If you have any questions, or do not have access to the internet please come and see Rhonda in the office.
