If you do not have internet access, please come and see Rhonda in the office and she can book them for you.

Preparing for the interview

We would like to meet you for a discussion about the remainder of the year ahead and the learning journey that your child will be on.

The purpose of the mid year interviews is to give you a chance to talk with your child's teacher about your child's learning to date based on the information that is in their mid-year report. This will come home with their profile of learning at the end of next week.

These are three way conferences and pupils are expected to be in attendance, talking with you about their learning journey while teachers can assist them to explain work, or enlarge upon an idea put forward by your child. Our children have worked hard to achieve some strong results and we encourage this time to celebrate with them and to set new goals for the remainder of the year.

There will be time at the interview to talk directly with the teacher and if there are issues you would rather not have your child a party to then they will be able to wait outside the room for you. The interviews will be no longer than 15 minutes. We expect all parents to be a part of this process as we work in partnership together.

Early finish: All children will be released one hour early on Tuesday 4th and Thursday 6th July to allow staff to start interviews at 2.30pm. Classes will finish at 2.00pm on these two days. Please make arrangements for your child/children to be picked up no later than 2:15.

All interviews will be up to 15 minutes in length. Your child should be a part of these discussions.

Learning and growth in character is always most effective in partnership! We look forward to partnering with you through the year so that we can really see each child grow in wisdom and stature so they can stand and be confident!
