

AIDANFIELD CHRISTIAN SCHOOL (82)

Enrolment Scheme

Amendment Commences 1 January 2026

Aidanfield Christian School is a State integrated school with a Christian Special Character which is defined in its Integration Agreement.

Enrolment

The School operates an enrolment scheme under [Section 71](#) and [Clause 16](#) of [Schedule 20](#) to the Education and Training Act 2020 (Act). The School Board (Board) is legally responsible for managing enrolments and is required to work within the school’s maximum roll as outlined in their Integration Agreement. The Board will manage the roll by offering a targeted number of places each year and assigning these places in accordance with priority categories.

The Act ([Schedule 6, Clause 26](#)) states that “The children of parents who have a particular or general philosophical or religious connection with a State integrated school must be preferred to other children for enrolment at the school”.

Area of Reasonable Convenience

The Act ([Schedule 20, Clause 16b](#)) states that an enrolment scheme “must accord priority to applicants for whom the school is a reasonably convenient school”. The Christian Education Network provides Christian education to the area bounded by the Rakaia River in the south, the Canterbury/Westland boundary along the Southern Alps in the west, Hurunui River to the North, and the Pacific Ocean to the East. This area is divided into catchments. The catchment for this school is described in the written description and shown in the associated catchment map.

Additional Entitlement to Enrol

This provision has been approved under Section 75 1(a) of the Education and Training Act 2020.

The Act ([Section 75](#)) states that “the Secretary may authorise an enrolment scheme to permit a student to enrol at the school as if the student lived in the home zone of the school”.

Preference Applicants who are siblings of Aidanfield Christian School students enrolled at the date that the enrolment scheme is implemented by the School Board, who reside within the school’s previously defined area of reasonable convenience (outer zone) will be considered as if they reside within the school’s catchment. This area is bounded by the Rakaia River in the South, the Canterbury/Westland boundary along the Southern Alps in the West, Hurunui River to the North, and the Pacific Ocean to the East. [Section 75 \(3\)](#) of the Education and Training Act 2020 sets out the definition of a “sibling” for these purposes.

12/12/2024

The School will maintain a list of students enrolled at the time of the implementation of the enrolment scheme change by the Board in order to enable determination of eligibility to enrol under this provision. If applying for enrolment under this part of the enrolment scheme, the sibling's name and evidence of a sibling relationship may be required by the School.

This provision will only apply to Preference Applicants who are siblings of a student who was enrolled at the School at the implementation date. This provision will not apply to Preference Applicants who have a sibling who attended the School at the implementation date, but who are no longer enrolled at the Preference Applicant's start date.

Note that the date of implementation is the date at which the Board officially adopted the enrolment scheme, rather than the date at which the enrolment scheme commences.

Parental Consent

- Non-Preference Applicants accept that education will be delivered in accordance with the special character of the school.
- All Applicants accept that they will be required to pay attendance dues as set by the Proprietor and these are compulsory.

Allocation of Places and Wait List

If there are more Applicants at any year level, in categories than there are places available, places will be allocated in priority order until a category is reached where the number of spaces available in that category is insufficient to accommodate the number of eligible students. Places will then be allocated by **ballot**.

If the total number of applications is greater than the number of places available, unsuccessful Applicants will have their names recorded on a waiting list at each year level within their relevant priority category. Applicants on the waiting list may be offered places at a later date if places become available. The waiting list will remain current until the Board next notifies the public that it is inviting applications for the next enrolment intake.

Notifications for Pre-Enrolment Processes

The Board must place a public notice in a medium appropriate to the area served by the school indicating the likely number of places available and the significant pre-enrolment dates and procedures that will apply.
